

# FIELD GUIDE

---

**CATCHING PROBLEMS BEFORE  
CLIENT DO**

**TANTA GLOBAL ASSIST**

# WHAT THIS FIELD GUIDE IS FOR

Reinforce review discipline and risk awareness before delivery.

## Why This Practice Matters in Client Work

Most issues are preventable. Final review protects trust and credibility.

## Core Principles

- Review is deliberate.
- Risk is identified early.
- Consistency matters at delivery.

# Common Failure Patterns

- Skipping review.
- Rushing delivery.
- Assuming issues are minor.

## Practical Approaches That Actually Work

Build a repeatable review habit. Pause before delivery.

## What This Practice Helps You Do

Deliver work that feels finished and reliable.
